NEW PRODUCT !

THE ACARITM TT DRILL-FREE MOUNT

- New one piece design for quicker, easier installation.
- Same patented clamping system providing a DRILL-FREE mounting platform with no holes in your roof.

ACARI™ TT SERIES

Over the past 10 years, ACARI Engineering has successfully introduced a revolutionary drill free mounting system for the work truck industry. With over 500,000 ACARI RTMs in the field, our next innovation, the **ACARI TT**, has been designed using a new mono-body shape that makes mounting your rooftop accessories simple and economical.

- A completely redesigned drill -free mount from Acari Engineering. The ACARI - TT offers a new installation process which is *faster and easier* than ever.
- A new sleek design including a vertical surface to allow for work lights. The new TT gives the end user even more options when up fitting their vehicle..

✓ **MILITARY GRADE, POWDER COATED ALUMINUM**

✓ **WATER TIGHT FOAM GASKET SYSTEM**

✓ **MADE, DESIGNED, ASSEMBLED 100% IN USA**
